## MESSAGE FROM THE PRESIDENT

### Welcome!

As President of the Brookhaven Business Advisory Council, it is my distinct honor to welcome you to the 2015 Brookhaven Business Expo!

Together with our Council Members, and the Town of Brookhaven – we invite you to network and make the most of what may be the largest gathering of Brookhaven businesses ever.

For those of you not familiar with the BBAC, we are an all-volunteer organization of small and large businesses. Our primary function is to serve as liaison between Town government and businesses in Brookhaven. The Council also compiles information for exchange between the Town and businesses, and creates public information programs to educate our business community on various resources available to them.

For more information on the BBAC, visit our website at [BrookhavenBAC.org](http://BrookhavenBAC.org).

Again, welcome to this year's Expo – we wish you much success.

A handwritten signature in black ink, which appears to read "Henry G. Bramwell Jr.".

Henry G. Bramwell Jr.  
President, BBAC
